

A large concert hall stage with complex lighting rigs and speakers. The stage is set up for a performance, with multiple levels of lighting trusses and large speakers. The background is a dark, curved wall. The foreground shows rows of empty seats.

SOUND  FORCE 

Dry Rental 2025

www.soundforce.se

Selection of the Dry Rental Equipment

DRY RENTAL

Soundforce stock most of the highest quality equipment on the market.

Focus is on international projects and the equipment is based on these demands.

We offer special made contracts for short time projects as well as long term leases.

TOUR SOLUTION

Soundforce is more than a traditional dry rental company. We are specialists in custom made tour solutions. We have more than twenty years experience of international touring.

This has formed our touring prep department.

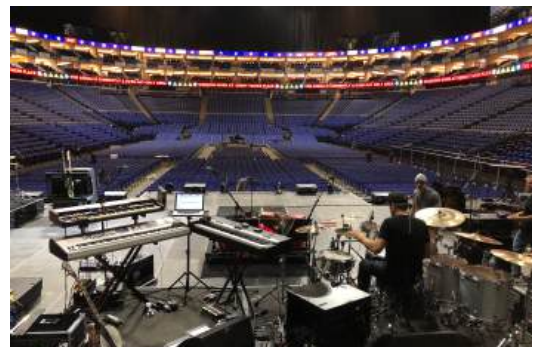

We'd love to prepare the equipment for you and help you save expensive time in your project.

PARTNERSHIP

We offer our services to rental companies as well as producers to share our experience and resources.

Let us be your partner in your projects.

....more than a dry rental company.

Tour solutions

We are specialized in custom made touring solutions.

More than twenty years experience of international touring has formed our touring prepare department.

Soundforce is producing dollies, constructions and custom made looms etc.

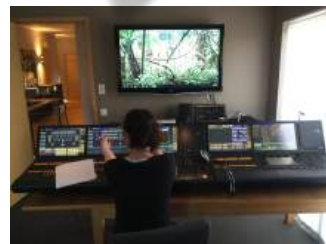

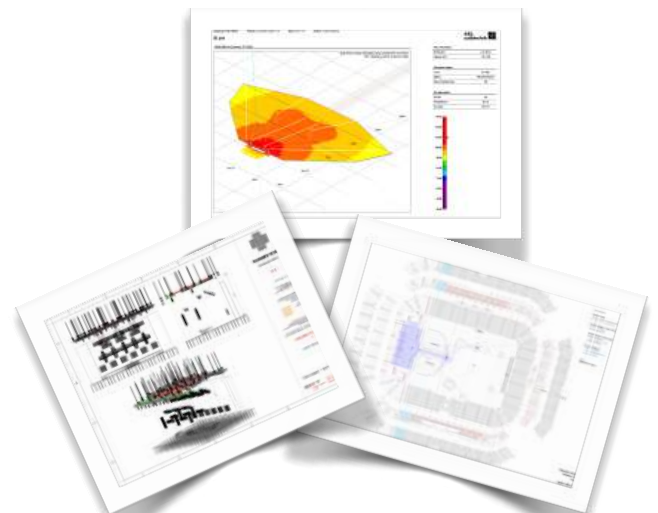

We prepare racks, prerig trusses and cables to the best and most time saving solution.

Project managing

Acoustic simulation, Noise predictions, rigging calculations, lighting plots and all form of pre production is standard routines for us.

Soundforce warehouse holds facilities for the production crew to simulate, program, prepare and test the entire equipment.
